

Replace Visitor Watch / Barcode Reader License File

Insert the CD into the CD drive

Double click on the My Computer Icon. The My Computer window will display.

Double the CD drive icon.

The contents of the CD drive will display.

Find and select the v3xx.lf file.

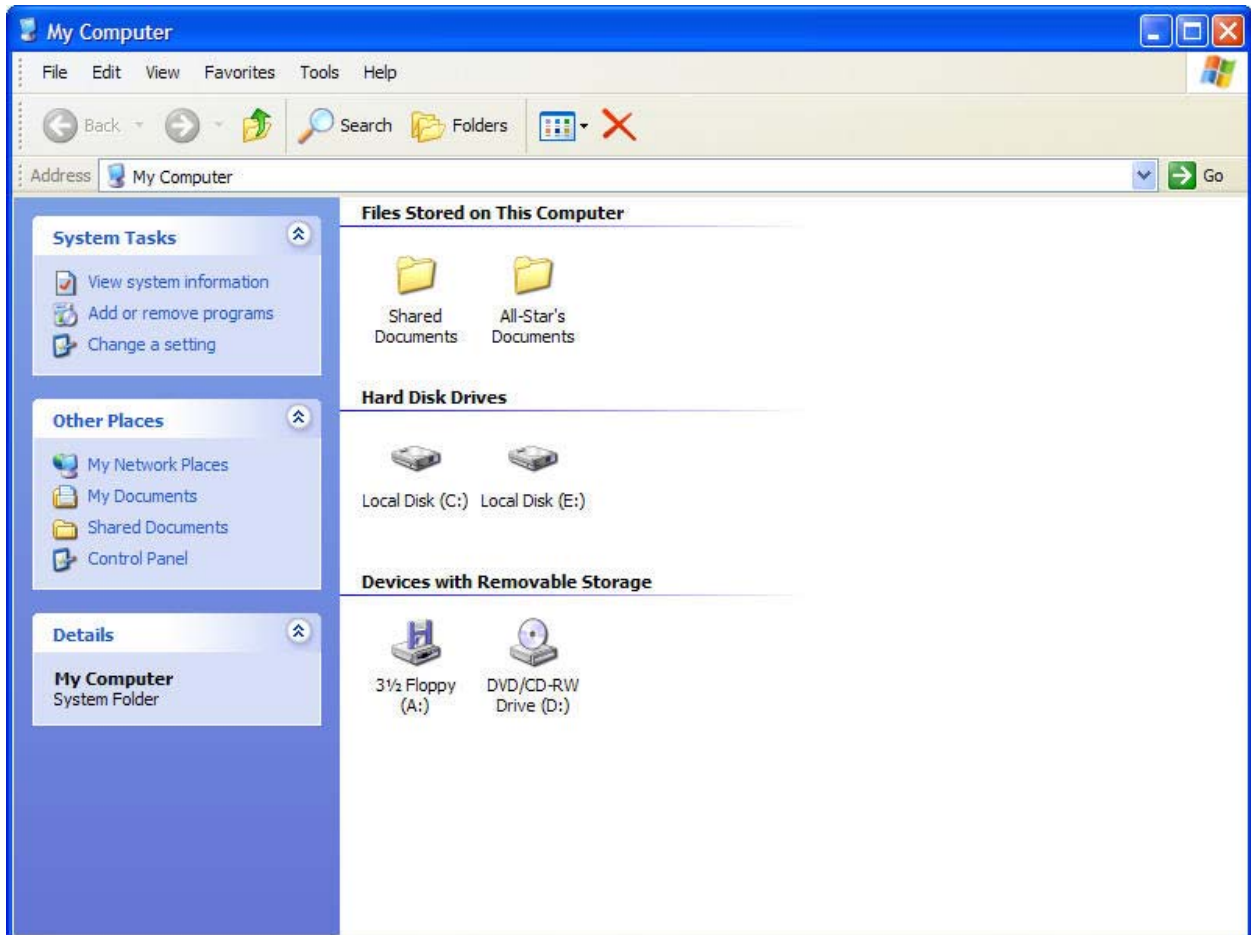

NOTE: If the Barcode Reader software license file is being replaced select the bc2xx.lf file.

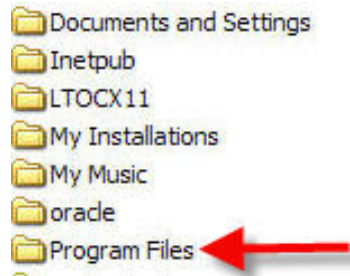

While the v3xx.lf file is selected Right click on it with the mouse. A menu will popup.

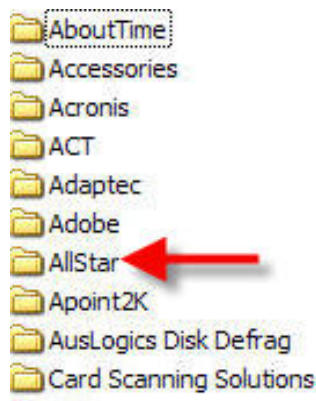

Select Copy from the popup menu.
Next double click on the My computer icon again.
Then double click on the C drive icon

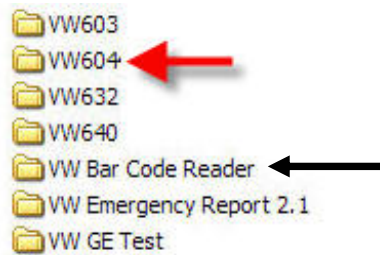

A listing of the C drive will display

Double click on the Program Files folder

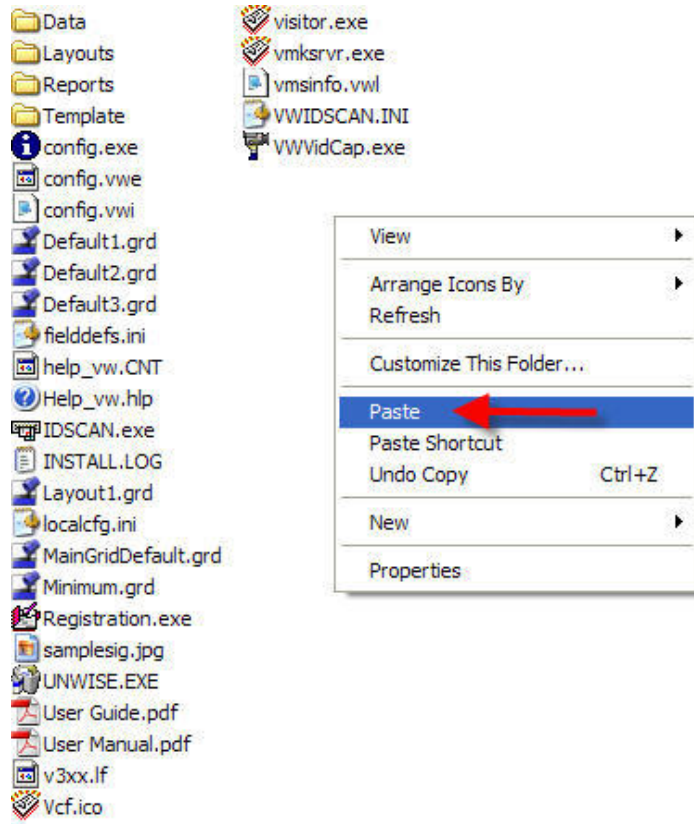

Double click the Allstar folder

Double click on the VW604 folder

NOTE: If the Barcode Reader software license file is being replaced Double click the VW Bar Code Reader folder.

Right click and select Paste from the popup menu. A message box will display asking if you want overwrite the existing file click yes.

The program may need to be unlocked again. Please call Allstar to receive unlock codes.
